## "Woman Of The Year"

The Sun-Reporter Publishing Company Publisher Amelia Ashley-Ward was honored Monday in Sacramento by State Senator Carole Migden as "Woman of the Year" for her 25 years of service to the San Francisco community. Senator Migden said she nominated Ashley-Ward for the prestigious award because "she is a widely respected journalist, businesswoman, and community leader with a long and distinguished record of excellence. Amelia is a force in San Francisco and I couldn't think of a more deserving 'Woman of the Year.'" Ashley-Ward also publishes *The California Voice* and seven editions of *The Metro Reporter Group*. The Senate's award was established in 1987 and is awarded annually. More photos on page 12. Photo by Alain McLaughlin
